WELCOME TO YOUR AUGUSTA WEDDING

The Augusta, for 80 guests, is a truly beautiful, curated wedding offering extra touches throughout to create the most perfect of wedding days.

In addition to the hire of Hedsor House with its stunning grounds and guest accommodation, you can expect an exquisite three-course menu created especially for you by luxury event caterer, Cavendish, divine floristry from Seventh Heaven, transformational lighting and production by Class Act, and a delicious three-tier wedding cake of your personal design created by Le Papillon Cakes.

You can expect nothing short of perfection for your special day.

THE INSPIRATION

This wedding has been inspired by Princess Augusta, the mother of King George III, who reigned as King of England between 1760 and 1820. Her portrait hangs on the mezzanine of our Centre Hall. Hedsor House was one of the homes used by the dowager Princess Augusta before it was purchased by Lord Boston I, who served in her son's Georgian royal household.

Later, Baron Boston VI and Lady Augusta (named after Princess Augusta), commissioned a new version of Hedsor House to be built in an Italianate style, adding a unique domed roof to the Centre Hall.

We love Augusta's flair and creativity and how she made Hedsor her own. We hope you will be inspired by her to create your perfect bespoke wedding here at Hedsor.
